Quote of the Month

*Each day of our lives we
make deposits
in the memory banks of our
children.*

-Charles R. Swindoll

New Hours!

We are excited to share that we will be running programs on Thursday evenings as well as some Saturday mornings! We understand that families are busy....between work, school, and other commitments, it can be hard to make it to programs during the week. We hope this will provide opportunities for our working parents, dads, and other family members to come play with us! Check out the October calendar!

Halloween Costume Exchange

Have some old costumes? Looking for a new one? Why not join our costume swap?! Anytime during the first 2 weeks of October bring your old Halloween costumes and drop off with a staff. On **October 19th** during our afternoon Drop In & Play we will set out all the costumes and host a costume exchange!

Closure

We will be **closed** on Monday October 9th for Thanksgiving. Please take this day to spend time with your loved ones and reflect on what you are thankful for.

Family Dinner

We invite you and your family to join us for Family Supper on **Thursday October 5th from 5-7pm**. Please RSVP the number of people in your family that will be attending by **October 2nd**! Space is limited. There will be a sign-up list at the centre or speak with a staff member for more information. We look forward to serving you a delicious meal!

Cold and Flu Season

It's that time of year! If you or your children are sick, please stay home and do not attend programs at the Centre. If you or your child have a fever, runny nose, are vomiting, or have had diarrhea in the last 24 hours, you are not well enough to come to the Centre! If a staff approaches you with concern about your child being too sick to attend programs, please know we are only looking out for your family's health as well as the health of everyone else who uses our space. Thank you for your understanding and cooperation!

Smart Start Workshop with Money Mentors!

Did you know that kids with education savings accounts are 6 times more likely to continue their education after high school? On **October 12th** Money Mentors will be providing a 1 hour workshop on Registered Education Savings Plans and how to get one for your child! Come to the 52nd HUB from **5-7 pm** and enjoy light refreshments, free childcare, and this special presentation. Space is limited, please register with a staff today!
