Cold and Flu Season

It's that time of year! If you or your children are sick, please stay home and do not attend programs at the Centre. If you or your child have a fever, runny nose, are vomiting, or have had diarrhea in the last 24 hours, you are not well enough to come to the Centre! Thank you for your understanding and cooperation!

Ages and Stages Questionnaires

ASQ's are supportive tools for caregivers to learn more about how to support their child(ren) reaching their full potential. Stop by our center any time to fill out this easy questionnaire and discuss with staff how you can support the child(ren) in your care!
