Family Nature Camp

Connect with nature and come enjoy the outdoors with us at Pearce Estate Park. This family day camp is suitable for children 4-10 years old. Caregiver(s) will participate with their child(ren) in a variety of activities as we explore and learn about nature. This is a registered program, please complete registration online. Please let staff know if you have any questions or concerns. **Pearce Estate Park is located at 1440 17A Street SE**

Noodle-Do Play

This is the program for parents with preschoolers aged 3-5 where you can play some games that build trust, boost imagination and teach some tools to support brain development. It is all based on the latest neuroscience so it's not only a lot of fun, it will help build your child's brain. Parents and children will have fun trying out new activities and materials, parents will leave with some great ideas of new activities to try at home. Please register on-line at www.familiesmatter.ca

Cell Phones

When participating in programs it is important that your focus be on your child(ren), we ask that you limit your cell phone use. We encourage you to use this time to play and interact with your child, parents and program staff. If you are expecting an important call/text please notify a staff, this will allow us to support your child if you need to leave the room.

Donations

We always welcome snack donations (fruit, crackers & cheese). We are currently looking for craft supplies so any donations would be helpful for our creative minds! Buttons, fabric, Popsicle sticks, paper towel rolls, feathers etc.
