Winter Donations

Let's work together and help keep our community warm this winter! We are looking for children's winter coats, boots, scarves and mitts that no longer fit your child anymore. Staff will be accepting gently used winter items that we can share with other families.

Winter Footwear

With winter approaching we would like your help to keep our centre safe and clean for everyone that comes to play! We ask that you take your wet/muddy outdoor boots off when you arrive and leave them in the front entrance. Please bring your slippers or an extra pair of shoes for inside. Thank you!
